December 18 Meeting

President Jim was still away dealing with medical issues being experienced by wife, Edna, so **Ed** was at the helm again. He asked **Dale Metz** to recite the Pledge for the Club (It's impossible to recite in sync as a group on Zoom) and **Chaplain Zelma** provided an appropriate prayer for healing and give thanks for the opportunity to serve the community in this time of sharing. She closed with words from a prayer written by her sister. “May God’s peace surround you; God’s love fill you; God’s touch give God’s good health; and may you abound in joy.” Amen... David introduced our guest, Gay Davis, who joined us from Atlanta. Gay learned about us via our website and expressed an interest in joining. Gay is a former resident of Greensboro. She’s hoping to return next summer...

Announcements

President Jim shared the following on Edna’s condition via email.

“Hi All - Edna is getting a little better slowly - had another trip to emergency room via 911 for a bladder infection last Sunday morning, but it is now treated with medication and pain is subsiding. Got the bandage redressed on her leg today and nurse said it "looks good" - she is able to walk slowly with the aid of her walker, but has to be “hooked up” to a wound vac apparatus. It “sucks out the bad dead skin and yuck” from the wound constantly. It must be emptied about every 3-4 days. It will probably take another month to month and a half for complete healing. We now have home health care person helping with daily activity needs daily. Thank goodness I followed my advice to my clients and have Long Term Care insurance and am in the process of starting a claim. Prayers are still needed and wanted. Certainly hope 2021 provides an improvement over 2020. Happy New Year! Will try to keep updates coming. Love to all, Jim”

Given the demand on food banks and other resources brought on by the pandemic, Dale asked

that we make a donation to Urban Ministry now. Peter suggested that we also make donation to Out of the Garden, another foodbank as we have adequate funds in the Foundation. The proposals were approved with no objections.

Peter shared that we have sold all our fruitcake. He also acknowledged a \$100 donation to the Foundation from Janet Dinsmore, widow of former member, Ed Higgins. Janet has been making an annual donation in Ed’s memory. Thank you, Janet...

Some members expressed an interest in purchasing car wash coupons. Peter will inform Chuck of the requests so that he can mail coupons to them... Since we had no speaker, we adjourned the meeting.

Other:

- There were 11 members and our guest, Gay Davis at our meeting.
- Since our meeting, Gay Davis has submitted her membership application. I filed it online and she is now a full active member. Welcome, Gay.
